

VIGNESWARI

Full Stack Developer

Cuddalore, Tamil Nadu | 8838826374 | vigneswaris2002@gmail.com

GitHub: [Vigneswari02](#) | LinkedIn: [vigneswari02](#)

PROFESSIONAL SUMMARY:

Software Developer with nearly 1 year of experience in developing and implementing efficient, scalable web applications. Proficient in React, Java, and PHP with a strong foundation in both front-end and back-end development. Experienced in Agile environments and effective in collaborating with cross-functional teams to deliver high-quality software solutions.

WORK EXPERIENCE:

Hemas Enterprises Private Limited

Trainee Developer | April 2023 - Present

- **Frontend Development:** Designed and developed responsive user interfaces using React.js, enhancing user experience across multiple devices.
- **Backend Development:** Implemented backend functionalities with Java and Spring Boot, focusing on RESTful API development, which improved data processing speed by 15%.
- **Technical Troubleshooting:** Addressed and resolved complex technical issues, leading to a reduction in system downtime and an improvement in user satisfaction.
- **Project Highlights:** Reduced page load times by 30% through optimized React components and successfully integrated a complex API within a short deadline, improving data retrieval speed by 20%.

EDUCATION:

July 2019 - April 2022 | Krishnasamy College of Science, Arts and Management for Women
Bachelor of Computer Applications Percentage: **79%**

June 2018 - March 2019 | St. Anne's Girls Hr. Sec. School
HSC Percentage: **56%**

June 2017 - March 2018 | St. Anne's Girls Hr. Sec. School
SSLC Percentage: **89%**

CERTIFICATIONS:

- PHP Full Stack Developer Course - CK Edge
- React Development - Codecademy
- Java Programming - Great Learning Academy

TECHNICAL SKILLS:

- **Frontend Technologies:** React, HTML5, CSS3, JavaScript, jQuery
- **Backend Technologies:** Java, PHP, Spring Boot
- **Databases:** MongoDB, MySQL
- **Version Control:** Git, GitHub
- **Tools:** Visual Studio Code, Eclipse, Postman

RELEVANT PROJECTS:

E-Commerce Website Development

- Developed a responsive e-commerce website using React and Spring Boot.
- Integrated user authentication, product listing, and shopping cart functionalities.
- Used MongoDB for database management, ensuring fast and reliable data transactions.

Admin Management System

- Built a task management system with React for frontend and Java Spring Boot for backend.
- Implemented features such as task creation, assignment, status tracking, and notifications.
- Deployed the application on AWS, ensuring scalability and availability.

STRENGTHS:

- **Efficient Code Development:** Demonstrated ability to write clean, efficient, and well-documented code, improving system performance and maintainability.
- **Collaboration and Teamwork:** Successfully collaborated with cross-functional teams, enhancing project outcomes and team efficiency.
- **Problem-Solving:** Solved complex technical issues effectively, reducing system downtime and improving user satisfaction.
- **Continuous Learning:** Committed to continuous learning and staying updated with the latest industry trends and technologies.

ACHIEVEMENTS:

- First place in "Creative Video Editing" competition at college.
- Active NSS Volunteer, contributing to community service and leadership activities.

LANGUAGES

- English (Fluent)
- Tamil (Native)
